

Monthly updated – Web Notice (Month May)

IMPORTANT MESSAGE FOR TRAINEE STUDENTS –

Target :

- (ELECTRICAL ENGINEERING ONLY).
- Batch 2008
- Training Programme - BIT

1. Evaluation for 2008 batch has been scheduled on mid of June (Please refer annexure#1).
2. Following documents should be produced to evaluation panel
 - i. National Identity Card.
 - ii. IET Identity Card.
 - iii. Duly completed daily diary- It should process both weekly and final certification. (IT should be certified by respective training engineers of establishment where you have been trained.)
3. Completed and certified training report (separation should be made if you were at more than one training place.)
4. Duly completed leave balance sheet (download the required sheet from the IET web site and it should be filled up in accordance with your daily diary.)
5. During the evaluation following areas would be assessed.
 - i. General attitudes expected as a trainee student.(Self discipline & social values)
 - ii. Interpersonnel communication and personality developments.
 - iii. Technological skills obtained during training sessions.
 - iv. Improvement of theoretical background knowledge relevant to practical applications.
6. You can initiate to make the report and it should be submitted to evaluation panel during the interview day. (No need to submit the report before the final evaluation.)
7. “Training monitoring at IET” is carried out as usual. Your date and time to be present at IET is already tabulated in the previous web site notices.
8. How to write daily diary ;
 - i. Theoretical descriptions should not be written in daily diary.
 - ii. Details and notes relevant to the works that you have personally carried out at workshop, site etc should be added to the weekly space of the daily diary.
 - iii. Problems encountered and how they were solved by you, can be inserted with respective sketches, schematic diagrams, block diagrams, circuit diagrams, catalogue detail, relevant photos etc.
9. If the spaces would not be sufficient to produce entire details, additional papers can be utilized.
10. Important works that you have carried out daily can be inserted in the spaces provided for each day of the week in the daily diary. (Monday to Friday)
11. How to make Training Report
 - i. You should prepare only one Training Report for the entire training period of BIT, even though you have been placed more than one training establishment.

- ii. If your training establishment is occupied more than two weeks, it should be considered and insert a separate description under that training establishment in your training report.
- iii. Number of pages in the training report should be as follows.

No of establishments where you have been trained.	Average no of pages expected.
1	$1*120 = 120$
2	$2*60 = 120$
3	$3*40 = 120$
4	$4*30 = 120$

- iv. Specifications and a standard model of the front page of your report has been displayed in a previous web notice. You can download it and insert your data accordingly.

Signed by
HOD (E) – IT
(Mr. M.W. Weeraratne)

Annexure#1 (Refer training evaluation time table)
