

Notice - SIP Projects Repeat Students (Electrical Engineering)

Repeat SIP Project Viva and Presentation: 07th, 08th and 09th April 2021

Draft report submission: 5th April 2021

Final report submission: 19th April 2021

Repeat SIP Project Viva and Presentation is to be conducted parallel to SIP repeat cycle which will be held on 07th, 08th and 09th April 2021.

Please contact your supervisor and submit your draft report on or before 5th April 2021 via registered post.

You are required to discuss with your supervisor and make an appointment to participate in viva and presentation on repeat cycle days.

Those who are to submit final report may submit on or before 19th April 2021, after being confirmed by the relevant supervisor.

When reporting to IET hostel, you are required to provide the PHI certificate stating that you're not under quarantine.

Thank you!

HOD (Electrical)
