

REGISTRATION OF REPEAT CANDIDATES FOR
NDES GIP
01ST & 02ND SEMESTER/REPEAT EXAMINATIONS 2021

Name with Initial (BLOCK LETTERS)	
IET Admission No.	
NIC No.	
Address	
Field of Training	
Contact no. / email address	

I have applied for the referred / failed subject / course work / practical GIP examinations scheduled to be held in year 2021 as follows.

	Subject code	Subject	Examination	Practical / Coursework/ Projects
1				
2				
3				
4				
5				
6				
7				
8				
9				
10				
11				
12				

The scanned copy of cash deposit slip for the payments of Rs..... as examination / Practical / coursework fees is attached herewith.

Date

.....

Signature

FOR IET OFFICE USE ONLY

EXAMINATION FEES:

For Theory Subject	
For Course Work / Practical	
Total Amount Paid	
Cash deposit Receipt No.	

Instructions for Candidates

- Please fill the **Form -1** carefully by reading relevant documents attached herewith.
- Note: Rs. 250/- for each subject / Coursework / Practical that you intend to Sit / Complete
- Pay the necessary charges to following bank information
 - Bank – People’s bank – Katunayake
 - A/c No. - 276-1-001-2-4535909
- Please mention in the bank slip as “Examination charges + student admission no. + NIC no.”
E.g. “GIP examination charges + EE/15/9990 + 970600275v”
- Scan “the paid bank slip” and “Form -1” and email to following **relevant** email address on or before 30/09/2021;

Field	Email Address
Civil	cegippay@ietonline.edu.lk
Electrical	egippay@ietonline.edu.lk
Mechanical	megippay@ietonline.edu.lk

- Note:**
- Your email should be subjected with your index number (i.e., Mention your index number in the subject row of your email)
 - If you have iet email account, use that email account to send the e-mail (Others can use their own email accounts for this purpose)
 - Send your email to above relevant email account only.
- The **original hard copies** of above documents (The paid bank slip and Form-1) should be sent through registered post to following address on or before 05/10/2021.

Registrar,
Institute of Engineering Technology,
Temple Road,
Katunayake.

- Applications will be accepted based on 7 years completion rule. Those who not eligible for that rule, should get Chairman approval individually.
- Without satisfying above requirements, the candidate will not be allowed to face for the examinations or practical sessions (including projects).

Civil Engineering:

	Subject Code	Subject
1	G1C1	Civil Engineering Construction and Drawing office Practice
2	G1C2	Computer Applications
3	G1C3	Hydraulics
4	G1CM	Strength of Materials
5	G1C4	Surveying and Leveling I
6	G2C1	Civil Engineering Maintenance and Safety
7	G2C2	Construction Materials and Site Investigation
8	G2C3	Principles of Construction Management and Economics
9	G2C4	Structural Analysis and Design
10	G2C5	Water Supply and Waste Disposal
11	G2C6	Visits/Demonstration

Electrical Engineering:

	Subject Code	Subject
1	G1E1	Mathematics & Computing (Computing section only – Practical Only)
2	G1EM	Industrial Management & Entrepreneurship I
3	G1E2	Electronics – 1A
4	G1E3	Telecommunication – 1A
5	G1E4	Power Generation, Transmission & Distribution – 1A
6	G1E5	Electrical Power Utilization – 1
7	G2E1	Mathematics & Computing
8	G2E2	Electronics – 1B
9	G2E3	Electrical Installation Practice
10	G2E4	Industrial Electronics & Instrumentation – 1
11	G2E5	Power Generation, Transmission & Distribution – 1B
12	G2E6	Telecommunication – 1B

Mechanical Engineering:

	Subject Code	Subject
1	G1M1	Fundamentals of Thermodynamics
2	G1M2	Mechanics of Machines I
3	G1CM	Strength of Materials
4	G1M3	Workshop Technology
5	G2M5	Mechatronics
6	G2M4	Mechanics of Machines II
7	G2M1	Applied Thermodynamics
8	G2M2	Electrical Machines & Industrial Electronics
9	G2M3	Pneumatics and Hydraulics
10	G2M6	Machine & Tool Design
11	G1EM	Industrial Management
12	G2M7	Advanced Engineering Drawings
